

An abstract collage of various art and design elements. It includes a close-up of a woman's face wearing a patterned headscarf, a floral patterned cup, a geometric patterned fabric, and a colorful abstract painting with swirling patterns. The collage is composed of several triangular and rectangular sections.

ARTIST AVENUE

GETTING BIGGER EVERY YEAR

The Artist Avenue is an art gallery on the show floor of the INDEX Design Series that was created specifically for artists and galleries looking for exposure to interior design professionals, art procurement managers, as well as consumer and commercial art buyers. INDEX Design Series 2016 was host to over 20 artists and galleries, who benefited from over 34,000 attendees over the four-day exhibition.

INDEX Design Series is committed to supporting artists within the region and has arranged the following participation pack for up-and-coming artists who are keen to promote their work to interior designers responsible for residential, hotel and commercial interiors in the Middle East.

"What would life be if we had no courage to attempt anything?"

"Dubai is moving in design as fast as it's growing as a city. We've seen incredible changes in the past ten years. INDEX is a great place that gathers many suppliers from around the world. So it's a great opportunity to meet different suppliers and people from the industry."
